Community Meeting
September 6th at 6 p.m.
In the Buffalo Room

Second reading of the Tribal Employment Rights Ordinance.

This Ordinance guarantees your right to work on any Tribally sponsored construction project on or near the exterior boundaries of the reservation.

The contractors are required to hire and train with minimum qualifications as long as you’re drug-free.

Training for job preparedness will be at the Tribal TANF building.

A Tribal member job skills bank will be created as soon as the Ordinance is enacted and a Director is hired.
This is our Reservation and these are our jobs!
Please read the attached Ordinance to understand your rights and bring your questions to the meeting.
